

2001 ASSEMBLY BILL 898

March 7, 2002 - Introduced by Representatives KRUSICK, BERCEAU, BOCK, CARPENTER, J. LEHMAN, MUSSER, PETROWSKI, PLALE, RYBA, SYKORA and TURNER, cosponsored by Senators GROBSCHMIDT and PLACHE. Referred to Committee on Health.

1 **AN ACT** *to create* 46.03 (44) of the statutes; **relating to:** creating a pharmacy
2 outreach program.

Analysis by the Legislative Reference Bureau

This bill creates, in the department of health and family services (DHFS), a pharmacy outreach program to provide patients with information about their eligibility for pharmaceutical manufacturer patient assistance programs, assist health care providers in enrolling their patients in these programs, provide health care providers with opportunities to work with pharmaceutical manufacturer representatives to improve the programs, and provide consultation with health care providers about the pharmacy outreach program. DHFS may, under the bill, negotiate with pharmaceutical manufacturers to develop a simplified system to assist state residents in obtaining access to the pharmaceutical manufacturer patient assistance programs. Before March 1 of each year, DHFS must submit a report to the legislature and to the governor on the number of state residents who have benefited from pharmaceutical manufacturer patient assistance programs, the value of benefits provided by the programs, and other information that DHFS determines is relevant.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

ASSEMBLY BILL 898

1 **SECTION 1.** 46.03 (44) of the statutes is created to read:

2 46.03 **(44)** PHARMACY OUTREACH PROGRAM. (a) In this subsection, “prescription
3 drug” has the meaning given in s. 450.01 (20).

4 (b) Within the limits of available funding, the department shall implement a
5 pharmacy outreach program to develop systems to facilitate access to
6 pharmaceutical manufacturer patient assistance programs. The department may
7 contract with one or more public or private organizations to administer the program.

8 (c) A program established under par. (b) may do any of the following:

9 1. Provide consultation with health care providers about the program.

10 2. Provide patients with information about their eligibility for pharmaceutical
11 manufacturer patient assistance programs.

12 3. Assist health care providers in enrolling their patients in a pharmaceutical
13 manufacturer patient assistance program under subd. 2.

14 4. Provide health care providers with opportunities to work with
15 representatives of pharmaceutical manufacturers to improve pharmaceutical
16 manufacturer patient assistance programs under subd. 2.

17 (d) The department may negotiate with pharmaceutical manufacturers to
18 develop a simplified system to assist residents of this state in obtaining access to
19 pharmaceutical manufacturer patient assistance programs. The system may
20 include a simplified, single application process and a voucher system for dispensing
21 prescription drugs through local pharmacies.

22 (e) Before March 1 annually, the department shall submit a report to the chief
23 clerk of each house of the legislature for distribution to the appropriate standing
24 committees under s. 13.172 (3), and to the governor, on the number of residents of
25 this state who have benefited from pharmaceutical manufacturer patient assistance

ASSEMBLY BILL 898

1 programs in the previous calendar year, the value of benefits provided by those
2 programs, and other information about those programs that the department
3 determines is relevant. In preparing the report, the department shall consult with
4 pharmaceutical manufacturers, pharmacists, and consumers of prescription drugs,
5 including consumers aged 65 or older.
